# Homework

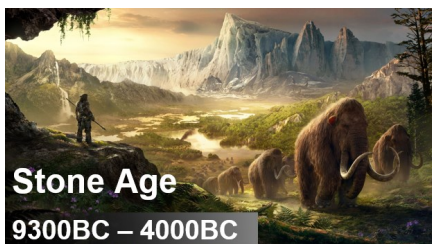

*The pupils will receive every week:*

- A reading book*
- A phonics book*
- A piece of maths homework*

*It is vital that the homework is regularly returned to school, so feedback can be given in class.*

*It is also important that you hear your child read on a regular basis, ideally this would be for a minimum of 10 minutes a day. Please record when you have heard your child read in their reading record book.*

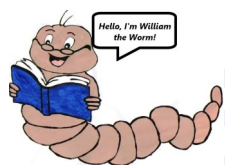

*We would like the children to complete a homework project this half term based on our topic of 'Great and Ghastly Events'. The homework can be in any form that interests your child, for example it could be art work, a piece of writing or a PowerPoint. We look forward to seeing what they produce.*
