Homework

The pupils will receive every week (via Mirodo):

- * SPaG task
- * Maths task
- * Reading task
- * Spellings to be given every Tuesday to be tested the following week.

It is also important that you hear your child read on a regular basis, ideally this would be for a minimum of 10 minutes a day. Please record when you have heard your child read in their reading record book.

The children will also be completing their Multiplication Tables Check in June 2026. We recommend that the children practise their times tables up to x12 frequently to prepare them for the test.
